## PASTOR'S PEN

Welcome to September 2024! Its been a fundamental year so far and we continue to pursue a rising of the Eagles. As we are reminded of what He is doing in us and in our church family this year, I can not help but give God the Glory for His faithfulness. As we move into the latter part of the year, we the leadership are being led to dig deep into who we are, what we do, and why we do them. We believe that is it time for a spiritual shift as a church body and that there will be some changes in certain ministry departments. We are also super excited to launch our second year school of ministry with the hybrid curriculum.

There is so much in store! We have a blessed and released families from our church body to where God is placing them in this season. We have also had older families move away into seniors homes and some who are not able to attend regular in-person church services anymore. Despite where we fellowship, we are all one family and the body of Christ. God is leading us forward as one and we are so thankful for how He is moving in our lives as we continue to do Kingdom work together. I am super encouraged by the help of the Holy Spirit that we can shepherd His body, the Kingdom way. Looking forward to all the new programs starting up again, we pray for a great re-connection for the new families who have been led to us in the summer months. We are excited for the kick off on September 8th and to get back into a routine and schedule with school for young families. We are walking in faith for great things in the latter part of 2024. **Hebrews 11:6**
