PASTOR'S PEN

As we journey toward Easter, let us posture our hearts and make room for the Holy Spirit to move in a fresh and mighty way. Let every heart be awakened, every spirit stirred in hunger, and every life yielded fully. For the same Spirit that raised Jesus from the dead dwells in us (**Romans 8:11**), bringing life to every dry place and awakening what seemed lost. Church, this is a season of revival, renewal, and release! What looked like death will live again, what felt buried will rise, and what seemed finished is not over, because Jesus has the final word! **John 11:25**, "I am the resurrection and the life." Let faith arise, let hope be restored, and let a fresh fire fall in our hearts.

This April, we declare that chains are breaking, lives are being transformed, prodigals are returning, miracles are manifesting, and the glory of God is being revealed and victory is being manifested because He is risen, He is alive, and He is moving in power! So take courage and stand firm in faith; what God has promised, He will surely perform. Step into this season with expectation, boldness, and a heart set on Him. The best is not behind you, it is before you. Walk in resurrection power, live in victory, and let your life be a testimony that Jesus is alive and still moving mightily today!

–Pastor Jennifer

FINANCE FEATURE:

Did we meet our March Budget?

No

↓ 20%

We estimate that we will be shy by about 20% of our monthly budget in March. Therefore, we depend on the surplus from other months, including the savings account to cover monthly expenses which include utility, internet, telephone, insurance, property tax expenses, subscriptions, payroll, and general maintenance costs + supplies.

TESTIMONIES IN MARCH:

- God provided for our needs in order to pay each of our monthly bills and necessary expenses.
- Continued work and progress has been made to the new sound booth and we've received discounts, sales, and even donations for supplies + materials!
- We were very generously gifted an electric drum kit for our worship team!!
- We had an unexpected repair to the boiler in the Outreach House in which God provided the funds to cover the unforeseen expense.
- We had 7 brand new, first time givers, including new givers to designated missions.

Thank *you* for your support!!

"The Lord bless you and keep you; the Lord make his face shine on you and be gracious to you; the Lord turn his face toward you and give you peace."

WHAT IS THE DIFFERENCE BETWEEN THE GENERAL FUND & DESIGNATED GIVING?

GENERAL FUND: Tithes and general giving go into our General Fund. Our General Fund pays all of our monthly bills and expenses including, operational expenses, payroll, repairs and maintenance, and all expenses related to the church and its operations.

DESIGNATED GIVING: Designated giving is typically where you would designate your offering toward a specific ministry, mission, or fundraising initiative. All funds in designated giving are used to cover expenses within that ministry or mission.

WHAT IS THE DIFFERENCE BETWEEN A TITHE AND AN OFFERING?

TITHE: a tithe is one tenth or ten percent. Scripture is clear that the Lord requires we give back to Him ten percent of our wealth or income. [Leviticus 27:30; Proverbs 3:9]

Everything that we have is the Lord's; He asks for one tenth to be given back to Him.

OFFERING: An offering is what you give over and above your ten percent.

Offerings are where you typically direct designated giving to other ministries or missions.

HOW DO I DECIDE WHERE TO DESIGNATE MY GIVING?

First and foremost, when deciding how to designate your giving, we implore you to pray and ask the Lord to direct your giving. However, here is some helpful information you can use while discerning your allocations.

Here at the Kingdom Advance Church, we use a financial structure which is best interpreted by the diagram to the left. Once an offering is designated, it cannot be used for any other purpose than that of its designation (unless the donor's permission is given). Therefore, when you give to the General Fund, it gives freedom to our stewards to use the funds not only to cover the operational costs, but to then allocate the "surplus" toward vision projects (such as future hires, renovations, upgrades, missions, etc.).
